Where will this Subject take me?

Higher education pathways and careers

This subject allows learning to have a broad knowledge of the world of Business. This, combined with other qualifications, will provide learners with the skills, knowledge and understanding to progress into Higher Education (HE) on a business-related programme such as Business, Business Management, Marketing, Business and Finance, Business and Economics and Accounting. It will also allow them to choose non-business related degree programmes or take them into employment where they would continue to study. Learners will develop transferable skills that are valued by HE and employers such as:

- communication
- planning
- teamwork
- research
- analysis
