To All Parents and Carers

4th March 2020

Dear Parents and Carers,

Coronavirus

With all the news nationally about Coronavirus in recent weeks, I would like to reassure parents and carers that we are following Government guidance for schools in relation to Coronavirus and now receive daily updates from the Department for Education.

The current advice is that the risk continues to remain low within the UK and that students should attend school every day as normal.

The advice from Public Health England for children and adults is to wash our hands thoroughly and regularly for at least 20 seconds each time. Children have opportunities to wash their hands before and after school, at break and at lunchtime as well as during appropriate practical lessons; please encourage your child to do so whilst at school as well as at home.

In the meantime, the Academy remains vigilant and I will keep you updated with any changes in the advice for schools.

Yours sincerely,

Mr C Heyes
Headteacher
